As the Friends have already committed to a \$3,000.00 match I reached out to Sharon Osterhaus. We have \$2330 in Memorial funds for her husband, Richard in the Trust account. We had planned to meet prior to the pandemic to decide how she would like us to use these funds and I thought this project might be a good fit. She agreed so this project is fully funded by the Friends of the JKPL, the DRA, in Memory of Richard Osterhaus, and the inkind labor of library staff and city public works employees (for the install). The posts / displays have been ordered from Iowa Prison Industries with the goal that we will be able to install and start the StoryWalk as soon as the ground allows.**
 - Friends of the Library Report – **Membership drive is underway. They have not met due to covid.**
 - JKPL Endowment Report – **O (& Gift Activity Statement)**

4. Discussion of Current Library Operations and Services – **No changes from last month. Any questions, comments or concerns? Our current level of service, with access restricted to no more than 6 patrons unless same household, was implemented when Dubuque County and Iowa were listed as a red zone by the White House Coronavirus Task Force. Now that the state of Iowa is no longer requesting this document, it is harder to determine our status. Currently, Dubuque County is hovering right around 10% positivity rate – but today (2/5/21) had dropped to 8.3%. Above 10% was one of the criteria for a red zone determination. Without the determination from the Task Force, I am thinking we need another science based determiner for when we step back to the 50% capacity open for appointments, having a place for people to read the newspaper, etc. that we planning before the red zone / community spread designation. Could we base on 5% or less positivity rate?**
5. Review and possible action on JKPL Pandemic Interim Service Plan / Reopening Plan – **Comments, questions, discussion?**
6. Library Director Evaluation
7. Discussion regarding Imagine 2030 Dyersville community vision process – **Karla from the Chamber requested that the JKPL Board discuss the Imagine 2030 process and brainstorm ideas. Rather than tie up a lot of time at a meeting, the officers decided to put on the agenda tonight for general information and ask that Board members think about this project and plan to come to the March meeting with ideas to share.**

Hotspots added to the JKPL Library of Things!

The James Kennedy Public Library is excited to announce the addition of ten mobile hotspots to our Library of Things. Hotspots are small, portable devices that use cell phone service to provide WiFi access. They are handy as they can be taken with you to use where you might not otherwise have internet service. We hope they will be especially helpful to those needing internet access at home during the pandemic.

Any patron aged eighteen (18) years or older, with a James Kennedy Public Library card that is at least 30 days old and in good standing (library account is not blocked), may check out a hotspot upon completion of a Mobile Device Borrower's Agreement. Hotspots will be checked out for two weeks and may be renewed twice if no one is waiting for them. They may also be put on hold.

Only one hot spot will be checked out to a family at one time. Priority use for hotspots is eligible full-service patrons; however other eligible patrons may be allowed to check out a hotspot if they are referred by a local school or demonstrate an educational need, and there are available hotspots. Only full-service patrons may place holds on hotspots.

The JKPL hotspots were purchased through Citizen Mobile, an organization that provides low-cost mobile internet with unlimited data plans exclusively to nonprofit organizations, educational entities and social welfare agencies. Internet service is provided on the Sprint network and relies on cell tower technology and coverage. User experience can vary based on location.

imagine 2030 "Living the Dream"

For Immediate Release

January 26, 2021

Karla Thompson, Executive Director
Dyersville Area Chamber of Commerce

563-875-2311

Be apart of shaping the future of the Dyersville area by thinking big, thinking small or anywhere in between! The Dyersville Area Chamber of Commerce is encouraging people to participate in Imagine 2030, a community vision process that will engage community members in a collaborative, community-wide visioning process to identify 5 ideas to be implemented by the year 2030.

This is the 2nd time the community is going through the vision process. Back in 2008 Imagine 2020 was launched where 569 ideas were collected and narrowed down to 30 ideas. The public voted for their favorite 5 projects which resulted in 4 of the 5 ideas were completed. Those 5 ideas were:

- Social Center
- Overpass on Highway 20
- Pedestrian bridge between Candy Cane Park & West Side Park
- Build walking/biking trails
- Alzheimers/dementia unit *not completed

It's hard to believe it has been over a decade since we went through Imagine 2020," says Karla Thompson, Executive Director of the Dyersville Area Chamber of Commerce. "When people come together for the same goals, more can happen as a result. Those efforts are now targeted, focused and interconnected."

People can submit their ideas at www.dyersville.org/Imagine now thru March 25th. The public will get to vote on 5 projects in May.

This community project is funded in part through a grant from the Dyersville Area Community Foundation.

Notes from the February 1, 2021 Zoom meeting of the Fundraising Committee:

The fundraising committee of the James Kennedy Public Library met via Zoom at 6:30 pm on Monday, February 1, 2021. Participants were chairperson Catherine O'Hea and members Mary Jane Meade, Karen Kramer, and Shirley Vonderhaar. Brenda Ingles was excused.

Fareway event: No new information available.

Love My Library Giving Tree: This event began January 14 and continues until the end of February. 243 letters were mailed (bulk mailing) to Chamber members. As of the meeting, donations of \$1330 in cash / check have been received. We have also received some in-kind donations (graphic novels, craft supplies, etc.) Shirley reported she was also expecting a donation of \$1,200 to sponsor the Ancestry Library edition from someone who wished to remain anonymous but used to live in Dyersville and was a friend of Ruth Hemmer. The committee noted that posting on social media was reaching people that just handling everything locally – in the library – didn't; so is a good additional to the process.

Soup Supper: This event was held on Monday, January 25, offering meals from 11:30 am to 1:00 pm and 4:30 pm to 6:00 pm. Total sales were \$790.00 and everything was sold out. We ran out of chicken noodle about 5:15 and also ran out of bowls and buns. Danielle went out and purchased cups (couldn't locate bowls) and buns and donated them to the cause. Planning thoughts for 2022:

- Offer on Monday again for lunch and dinner
- Continue with carry out option as primary way to serve. Maybe do carry out only for lunch and offer in library service for dinner
- Having designated parking stalls worked well
- Consider offering by the quart or larger quantity as part of evening service or take requests and fill if have left overs
- Plan for 150 so will need to ask donors to make more soup to meet the quantity needed and more supplies
- Do not stack soup (had call back that lid melted); or have something dividing
- Paper box lids worked well for larger quantity carryouts so library should try to keep
- Try to make sure size of brownies in group orders are similar

The committee agreed this was a very successful event and went very smoothly. Decisions for 2022 will be made in late fall 2021.

Build-a-Basket Fundraiser: This event started February 1 with people and organizations being able pick up baskets at the library (if needed). The silent auction is scheduled to run March 1-28 and will run as hybrid as did for Chair-ity (bidding in person and via email / phone / social media.) Catherine will reach out to the schools about donating as their baskets have been very popular.

Wine and Beer Tasting: Committee will discuss at future meetings if a fall event seems feasible.

Library or Dyersville brew: The committee has discussed partnering with NuYou, Vibe, Textile Brewing, etc. to create and sell library themed beverages. For example, NuYou has on their menu teas ... Bobcat

– Blazer - #XavierStrong. NuYou just donated 20 free drink coupons for the winter library program and Brenda, who has been a lead part of this discussion, was not in attendance so the committee decided to table this idea for now.

Library Themed Events: At previous meetings, the committee had discussed holding fundraisers such as round up or donating a percentage of sales tied in with special library events like National Library Week, which is in April. No decisions were made on this.

Plant Sale Fundraiser: Will likely hold this event in May as is an outdoor activity so even if Covid is still as issue, we should be able to offer.

Other projects / activities we would like to consider: Shirley shared an idea from Ray Kruse to hold a pie tasting / educational program tie in in the fall. The committee will discuss this idea in more detail in the summer.

Anything Else: Nothing New.

Set date for next meeting: The next meeting was not officially scheduled but it will likely be held via Zoom sometime before the February Board meeting.

Marketing Committee Meeting Minutes: January 14, 2021

Conducted over Zoom with Karen Tieskoetter, Danielle Will, and Dawn Schrandt

Board Packets

Shirley asked the committee to consider if the format used for monthly board meeting information packets could be updated. Danielle had taken on this task and brought a few suggestions to the meeting and showed the committee what she had done so far. The committee also talked through the packet and how other things could/could not be updated. Danielle said she would reach out to Shirley to talk about the changes she is suggesting. She also said she would continue to review the board packet for other suggestions.

Fundraisers Radio Interview

Karen will go to KDST on Thursday, January 21 to be their Guest Spot of the Day and promote the Soup Lunch/Supper and the Love My Library fundraiser.

Marketing Committee Meeting Minutes: February 3, 2021

Conducted over Zoom with Danielle Will, Shirley Vonderhaar and Dawn Schrandt

Board Packets

Shirley asked the committee to consider if the format used for monthly board meeting information packets could be updated. Danielle had taken on this task and brought a few suggestions to the prior meeting and showed the committee what she had done so far. At this meeting Danielle walked through her proposed changes with Shirley and Dawn and they talked through the format she was using and what items could and could not be updated. Then Shirley and Danielle talked about coordinating information to present to the Board at the February 9 meeting so they could review the format changes Danielle made and discuss what works for the Board.

St. Patrick's Day Parade (this topic was handled via email between Dawn, Danielle, and Karen)

It was announced that the Order of the Hibernians is going ahead with the annual St. Patrick's Day parade in March. According to the Chamber, they are not limiting attendance and they are not requiring masks for either parade attendees or participants (just encouraging it). The one thing they did change is that those in the parade cannot throw out goodies this year to the attendees. Dawn talked about the parade with the two staff members who are the main two participants in the library's float each year. One of them was adamant that we shouldn't participate and the other was leaning towards that decision but not quite as forceful in his dislike of the idea. Dawn is also not comfortable asking other people to participate in our float, which we do each year by asking volunteers and teens to come help us. So, Dawn suggested the library not participate this year in the float. Shirley and the Marketing Committee support this decision.
